Re: United States v. Ramzi Yousef, et al.

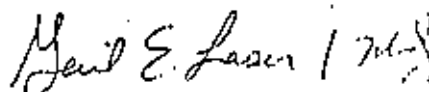

Dear Mr. Frangipani:

We have been appointed to represent Mr. Yousef, one of the defendants in the World Trade Center case. Somebody from our offices has recently contacted you to discuss the possibility of retaining you as an expert in this case.

Mr. Yousef is currently being detained at the Metropolitan Correctional Center (MCC). In order to meet with Mr. Yousef you will need to get clearance at the MCC. The MCC requires that all visitors fill out an application in order to do a background check for security purposes. Please fill out the enclosed application as soon as possible, and return to our offices so that we can complete the sponsoring attorney section. We will then forward your application to the MCC. The process may take a couple of weeks. Please fill out the application even if you think you have clearance at the MCC, because the MCC is updating their visitor list and requires that everyone must have submitted an application within the last three months.

If you have any questions, please call Magda Jimenez of my office at (212) 447-9209. Thank you for your attention to this matter.

Very truly yours,

Gail E. Laser
